About the Leadership Conference

The Indiana Healthcare Leadership Conference is an initiative of the Indiana State Department of Health (ISDH). The ISDH plans two Leadership Conferences per year – one in the spring and one in the fall. Each conference is a one-day conference focusing primarily on a single issue.

The Leadership Conferences, which began in June 2007, have grown in attendance from 720 participants to over 1200 participants. Attendees have been treated to outstanding presentations on falls management, reduction of pressure ulcers, behavior management and reduction of restraints, emergency preparedness planning and managing incontinence care, staffing issues, and healthcare associated infections. A variety of educational and practical resources on all these topics were provided at each conference.

The conferences are intended to bring together statewide healthcare leaders to promote important quality of care issues. This conference will include providers from long term care, state surveyors, healthcare organizations, and individuals with significant interests in health care.

Invited Participants

The ISDH invites each comprehensive care facility (nursing home) to send two representatives to the conference. Each facility may select the individuals attending the conference on behalf of their facility. The ISDH recommends individuals such as the facility administrator, director of nursing, compliance officer, or other members of your patient safety team. Corporate offices of facilities are also invited to send appropriate representatives.

The ISDH will also be inviting selected professional organizations and individuals to attend the conference. Invited organizations will include the Alzheimer's Association of Greater Indiana, HealthCare Excel, Hoosier Owners and Providers for the Elderly, Indiana Health Care Association, Indiana Hospital Association, Leading Age Indiana, Indiana Ombudsman, patient safety coalitions and centers, and United Senior Action. The ISDH will also be inviting academic and legislative partners. ISDH long term care surveyors will be attending.
